VALIDITY

- 10x subscriptions are valid for 6 months
- 20x subscriptions are valid for 12 months
- 30x subscriptions are valid for 18 months

The validity of a subscription starts with the date of purchase.

SUBSCRIPTION EXTENSION

In the event of illness or accident and upon presentation of a medical certificate, the validity of a subscription may be extended. The same applies to longer journeys or for compelling professional reasons. Please apply for extensions in writing and before the start of your absence via e-mail. There is no general entitlement to an extension. Retroactive prolongations of subscriptions are not possible.

In the event of pregnancy, accident or prolonged illness, an existing subscription can be suspended until the resumption of training.

HEALTH INSURANCES

I am active member of the «Berufsverband für Bewegung und Gesundheit Schweiz» (Swiss Association for Health and Physical Activity) and thus recognized by most health insurances. Ask your health insurance company for information on cost sharing. If you wish, we can issue a certificate for your health insurance company to reimburse the course costs.
