

## PROTECTIVE MEASURES COVID-19

(As of 3 November 2020)

As of 3 November 2020, the operation of the NANEA Studio will take place with the following protective measures.

### PROTECTIVE MEASURES / REGULATIONS

1. Students with symptoms of illness are not allowed to attend classes and are urged to stay at home. Please come to the training only if you feel absolutely fit!
2. **In the entire studio (incl. staircase, entrance area, changing room and training room) masks are compulsory. However, the mask does not have to be worn during training.**
3. The distance regulation of at least 1,5 meter applies to all customers – anywhere and at any time.
4. **The lessons take place with a maximum of 4 participants, so that each person has the required space of at least 4 m<sup>2</sup> available.** Early registration is therefore recommended.
5. All course participants appear in training clothes and already changed in the studio.
6. Only one person at a time is allowed in the changing room, the others wait in front of the door. The shower is not available until further notice.
7. **Please bring a towel of sufficient size or your own pilates mat with you.**
8. The studio and all training equipment will be sanitized before and after each lesson, and the rooms will be thoroughly ventilated.
9. Toilet, taps and door handles are disinfected several times a day, waste bins are emptied daily.
10. Liquid soap, disposable towels and hand disinfectants are available.
11. Please bring your own drink bottle. In the studio we do not provide you with drinking glasses until further notice.
12. We will not correct you tactilely during training, there will be no physical contact.
13. We do not shake hands but welcome you with a smile that comes from the heart.

These are the official guidelines of the Federal Office of Public Health (BAG).

**Thank you for adhering to these rules!**

*Stay healthy!*
